## CLASS PROPHECY

Fancy finding a crystal ball in this deserted tea room. I wonder if the old gadget really works. Say, if it does, maybe it would tell us what some of the old graduates of Mt. Gilead, year of 1950, are doing.

Rolla-bolla, ball and all that sort and the haze begins to clear. We see RICHARD BAKER and his assistants, DWAYNE ROACH and VICTOR DAVIS still laying bricks for the new school building. It certainly is a slow process!

We wonder how many more are around Mt. Gilead. There's NELDA WILLIAMS working at a gas station. A person would think her husband could support her better than that!

The scene shifts to the new Morrow County Hospital, and there we find DORRINE CLEVENGER and KATHLEEN GEAR caressing brows while BONNY GEYER is still working at Dr. Kubb's office.

Their loyal helpers seem to be DALE McCLELLAND and JIM ROLLER in the local pharmacy who fill prescriptions. Beside their drugstore stands the "Bee Hive" operated by HOWARD (Tables for Ladies) WHISTON who employs DARYL GEAR as his manager.

KATHLEEN MOSHER returned to "undertake" great opportunities in her own mortuary, ably assisted by DICK OSBORNE while JACK LANCASTER has a summer football clinic at the local school.

The crystal ball shifts to the Union Store and there we find manager, EDDIE (I worked up from the bottom) SMITH, hard at work, and across the street we see a new sewing shop opened by DARLINE FISCHER and JOANNE LYONS.

Down at the post office we see the new postmaster taking a rest period at his desk. Yes, BILL McMANIS is the best postmaster Mt. Gilead has had in years.

There's a fortune-telling shop on High Street and in it we find BETTY CLARK and JUANITA McQUISTION reading palms.

LORETTA FOSTER bought Tony's soon after graduation and hired JOHN STEVENS as a (soda) jerk. SHIRLEY ROOD seems to own the Capitol Theater, and BERNICE HEIMLICH is the new Western Union girl.

Now the crystal ball fades, and then New York appears. There BELINDA STAUFFER and DOROTHY HOFFMIRE teach toe-dancing, and DON GALLEHER has advanced to Einstein's assistant. RAY DUNN manages a group of chorus girls there. While SUZANNE MOLER has gained fame as an after-dinner speaker, VENEITA POWERS had become a well-known model.

LARRY HAYES wanted to be a salesman and now he travels from door to door selling grape-nuts flakes.

This must have been too much for poor old crystal ball because it shows a large expanse of water and then the coast of China. It's clearing now, and we see a woman coming out of a hut. Why—it's JOAN RATHBURN, foreign correspondent to Tibet.

And now the crystal ball clouds and refuses to tell us any more of the unseen events of the year 1965.

## JUNIOR CLASS OFFICERS

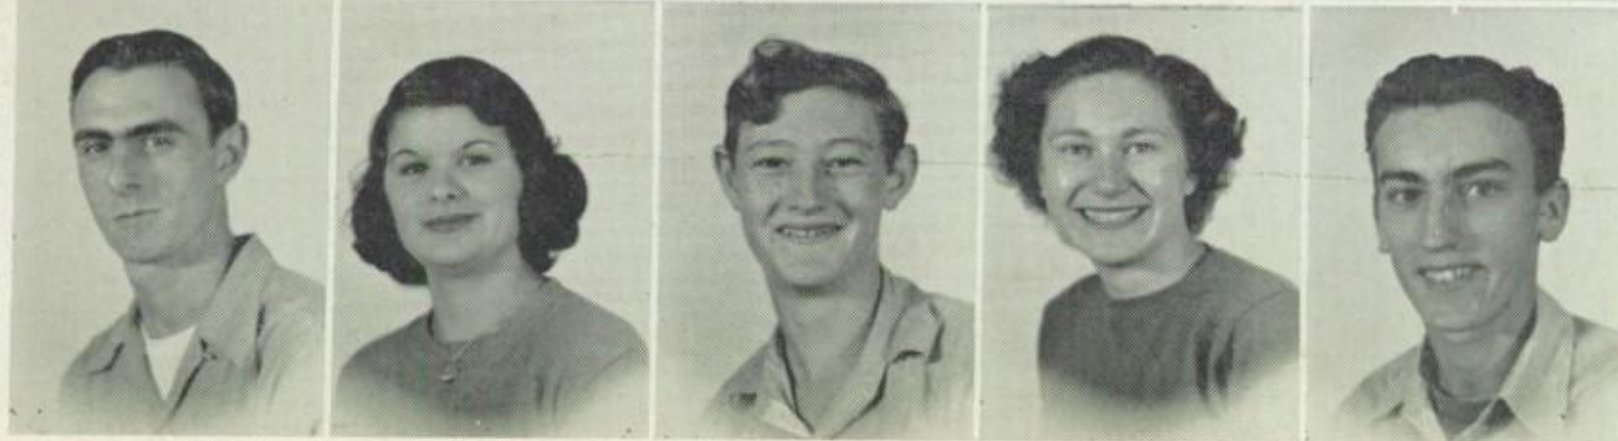

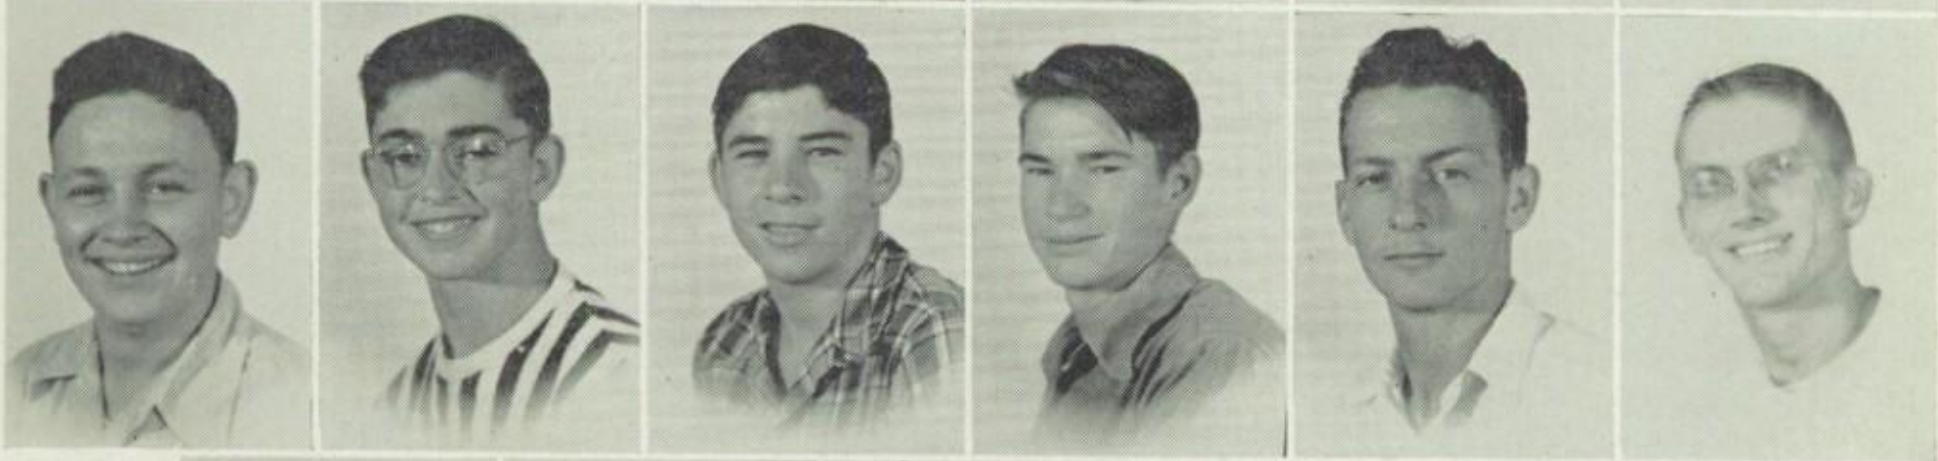

LEFT TO RIGHT: Richard Poland, Vice President; Russell Jagger, President; Patty Hickman, Secretary-Treasurer.

Finally we are approaching our goal accompanied by troubles and worries from making the Junior Class Play and Junior and Senior Prom and Banquet a success. In addition to these social activities we sponsored a dance and also a class party. The Juniors have participated in Choir, Band, F.F.A., F.H.A., Hi-Y, Y-Teens, M-Club, and G.A.A. As we come to the close of our Junior year, we hope to have left an impression to add to the memories of Mt. Gilead High School. Thanks are due to Mrs. Clouse, Mrs. Harry, and Mr. Lantz for their faithful help during our uncertain moments.

Well, here we are Sophomores already and feeling even more grown-up than we did when we entered our Freshman year! We joined new clubs, the Y-Teens and Hi-Y. Our boys are taking an active part in the sports and are doing a wonderful job this year. We sponsored two dances. We have learned to get along well together and have had lots of fun in our Sophomore year. We want to express our sincere thanks to our advisors, Mr. Clingo and Mr. Beard, for the way they have helped us this year.

LEFT TO RIGHT: Tim Hardman, Vice President; Donald Byrd, President; Leta Rathburn, Secretary-Treasurer.

Our first great milestone has now been reached—we are in high school. With high school has come many activities that had not been open to us before.

Our boys have become active in sports, for this we are proud; our girls are also interested in sports such as basketball, volleyball, soccerball and softball. These girls are members of the new G.A.A. just organized this year.

Our appreciation to Mr. King and Mr. Grizzell who have been our advisors this year.

# SPORTS ROUNDUP

The Mt. Gilead Indians football squad had a fairly successful season defeating five opponents while losing four games. The squad named two co-captains for its 1949 season. They were Jack Lancaster and Don Galleher.

In the preview before the scheduled season, Mt. Gilead lost to Ashley 6-0 but bounced back and beat Cardington 12-0.

The team got off to a bad start during the early part of the season by dropping two straight games. The Indians hit their winning stride during the next five games during which they went undefeated. Their last victory came in the mud and rain at Bellville.

The next game the Indians played good ball and even threatend to score several times more than they did but they lost 21-12. The last game of the season was lost to Marion St. Mary by a score of 33-7.

## THE HYDRAULIC PRESS MFG. COMPANY

### MOUNT GILEAD, OHIO

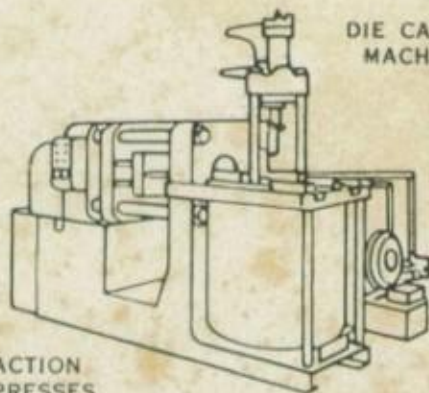

For 73 years, The Hydraulic Press Mfg. Company has been the world's leading builder of hydraulic presses. Much of the company's success is due to the cooperative efforts of its employees and the people of Morrow County, who have seen it grow from a very small concern to an internationally known organization.

Many present H-P-M employees represent the second and third generation of their respective families who have worked at H-P-M. Such family loyalty is one of the keynotes to the company's success.

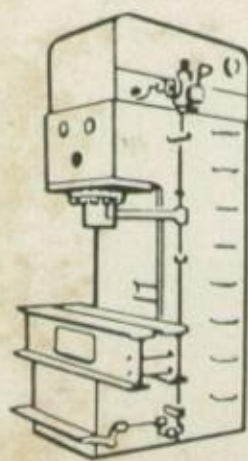

H-P-M presses have solved production problems in a multitude of industries. Their acceptance makes H-P-M the world's headquarters for hydraulic presses.
